4/8 Port Wall Mount Fiber Termination Box

UNISOL 4/8 Port Mini Wall Mount Fiber Termination box provides an extensive range of fiber management systems (FMS) fully compatible with industry grade fiber adapters. These systems deliver high performance and stability. UNISOL FTTH series wall mount fiber terminal box is designed to provide quick patching, storing fiber terminations. It is also used for Indoor/Outdoor application and medium size multi dwelling units (MDU's) for FTTx.

CE   RoHS compliant

FEATURES

- Single door hinged type design
- High quality Mild Steel Body
- Mechanical seal
- IP 55 Rated
- 100% tested for Mechanical and optical characteristics
- Installation: Outdoor and Indoor Application
- Mechanical seal for Excellent seal performance and reusable
